Col of Sarzoggio

A relatively long stage of 116km to reach, first, the seaside, at the height of**Propriano**. Then, we follow the coastline to **Porticcio**. At **Bastelicaccia**, we take the **"D303"**, then the **"D1"**, to the col of **"Sarzoggio"**.

Calcatoggio

From the col, the road descends to the destination of this stage, the village of**Calcatoggio**. Le Ruone, just outside the village, holds a few terraced guest rooms. The pool is simply a delight after such a long day.
