Start from Fuyens

Starting from my hamlet, this tour of the lake passes through the villages of**Chavannes-sous-Orsonnens, Posat, Magnedens, Corpataux**, goes up to **Arconciel**, before going straight on the south border of the lake through **Treyvaux, La Roche, Hauteville, Corbières, Broc**

Broc's chocolate factory

Passing through **Broc**, the road winds its way along a small path to avoid the city center and the chocolate factory. A little further on, it crosses the Sarine on a narrow bridge before reaching**Morlon, Echarlens, Vuippens**.

The cantine

In **Vuippens**, the traffic becomes heavier and the route crosses the main road. The slope up to**the Cantine** is pleasant and the view on the lake on the right is simply magnificent. If you have time, consider stopping at **the Vignier restaurant** for a drink. The view is simply breathtaking.

Way back

The route continues through **Le Bry, Vuisternens-en-Ogoz, Villargiroud, Orsonnens** and the final climb to **Fuyens**.
