

Tour of the Lake of Morat

Road

Distance : 97 km Elevation : 1200 m Difficulty : 2

Start point : Romont End point : Villaz-St-Pierre

A classic of the Cyclophile Romontois, ridden almost every year. A nice ride around the Lake of Morat with its famous ascent of the Mont Vully which is a real legs breaker. The view from the top is splendid.

Start from Romont

The departure is with the colleagues of the Cyclophile Romontois, from the **Bicubic of Romont**.

We cross the cantons of Fribourg and Vaud via **Villaz-St-Pierre**, **Villarimboud, Torny-le-Grand, Ponthaux, Léchelles, Russy**, to **Avenches**.

Once the industrial zone of **Avenches** is free, the first contact with the lake shore is in **Faoug**. Then we pass by **Courgevaux, Morat, Galmiz**, before reaching **Sugiez**.

Municipality of Mont-Vully and Lake of Morat

The difficulty of the tour

The only difficulty of the course is the climb in the vicinity of**Sugiez**. The climb is not long, but steep.
