Start from Florence

Another quiet day. The departure from **Florence** is simply grandiose. A road on the ramparts, not authorized to motor vehicles, allows to stop and photograph the surrounding landscape.

Siena

Siena or **Sienna** in italian, is a city well known for its **Palio**, a large square transformed twice a year into a racetrack. Tourists flock to see this spectacle. It takes place in the summer, in July and August. It is very pleasant to lose yourself in its alleys.
